

Met at 09/15/2023 at 2:00 pm to 5:00 pm

We met to go over the project proposal grade and feedback. We started working on a new draft together splitting up tasks from the proposal like coming up for new features, additionally started planning for sprint and our scrum work. We all agreed to meeting Sunday at 2 pm to plan and do our sprint.

Everyone in the group worked on revisions for the proposal.

Julie is in the task of setting up breakdown and hour reporting excel.
